His biggest success he achieved with the project „Avant Garde“ and its club smash „Get Down“ followed by amazing remixes for Negrocan, Robbie Rivera, Daxriders, SWEN G*, Steve’N King till the newest ones like for Danzel, D.O.N.S. feat. Kadoc, Tom Novy, Ian Carey, Syke’N’Sugarstarr, Bel Amour and many more to follow.

Other projects with some friends of him like „Jerry Ropero & Denis The Menace – Coracao“ (Subliminal US), „Clubworxx & Jerry Ropero feat. Mr. Mike – Put Your Hands Up In The Air (Nervous US)“ have been really successful and also his solo project „Jerry Ropero – The Storm“ which has been licensed to nearly every country around the world causes really a “storm” in the clubs with amazing vocals by Cozi who is also the female vocalist for David Guetta’s “Baby When The Lights Go Down”. All of this gives him the nomination in the year 2007 for the Beatport “Best House Artist Of The Year”.

In 2009 Jerry Ropero teamed up with Tom Novy and they both recored a project called “Tom & Jerry” where the first single “Touch Me” went straight to No.1 in the US Beatport Downlaod Charts. The new single “Don’t Lie” will be released by the end of April 2010 when “Tom & Jerry” will do their first live-gig together with singer Abigail Bailey at the biggest German Electronic Festival called “Mayday”.

So Stefan & Jerry have both a big experience in producing and also playing as DJ’s together.

Their first collaboration in 2008 has been a cover version of the old classic by “Baby D. – Let Me Be Your Fantasy” featuring the female vocals by Anna Maria and followed by the second single in 2009 which was a collaboration with former DSDS 2003 (Deutschland sucht den Superstar 2003) top 10 finalist “Daniel Lopes” who shows again his talented voice on the old “The Korgis” classic track “Everybody’s Got To Learn Sometime”.

At the end of 2009 they also did a remix for the famous track of Michael Jackson “Mind Is The Magic” followed in 2010 by a remix for the single “Try” of German Top Act “Schiller”.

This club smash will be released in the beginning of June 2010 through Clubland / Kontor Records with additional remixes of Falko Niestolik, Valero, Manuel Baccano and Merlin Milles.
