DJ Ryan Housewell is one of the best represented Djs in the surrounding area of Gmunden. But if somebody is on the avenue to fame, there are envious people not far away.

The writing is on the wall! In the year of 2005 he changes his name into Red. Runner. And he has his first big GIG at the PENSI-Graduation ball. The disco was chock-full and the local residents talked about this evening.

After considerable time, he becomes resident DJ in „STAU“, it is a bar in Altmuenster.

But it was no problem for him to acquire it. In the end of October 2008 he had its last show in Starlight.

From that time on he put a spell on the guests with his harmonic transitions and his purposive sample of music.

In November 2008 he thought about a new DJ name. He decided to change it and from now on he named "Ryan Housewell

Now he is producing with one of the best accepted DJs of Austria, which plays a Warm-up of DJ Tiesto, and his name is Falko Niestolik!
